VOLUNTEERS READY TO ENTRAIN FOR BERLIN TOMORROW MORNING

Tonight is the night, the Airdome is the place and all of Nye and Esmeralda counties are invited to participate in the greatest farewell party ever held in Tonopah.

Fifty-four men, the very best that the county has to give, and before the night is over it is expected there will be at least sixty, who will be the guests of honor of Nye county. Having given its best Nye county wants to give the best there is to give. An elaborate program of entertainment has been arranged, which includes a dance, moving pictures, parade and banquet for the departing men.

The farewells were really started last night when a party was held at the Hummer hotel in Millers for the four boys who have enlisted from that place. Mothers, wives, sweethearts and friends gathered to wish the boys God-speed and in addition to the farewells presented them with a more substantial token of their appreciation in the shape of \$75, the result of a sale of four cakes made by the mothers of the boys who have volunteered their services for the cause of freedom. It was these mothers who had watched their sons from the cradle, toiled through the years so that their flesh and blood might grow to manhood who shared equally the honors with the departing soldiers, for them there had risen a new star, a star of blue on a field of white, denoting the supreme sacrifice of motherhood. These women smiled that brave smile which hides tears and a throbbing heart when the mothers of the nation come to realize their sacrifice, but there was no complaint, they were sending their sons to teach the Hun that the truth is on our side.

Sergeant Manuel Jeffery spoke and told of the future of the boys in the great army of the nation, this was comforting to the mothers and gave them greater courage to say good bye.

This afternoon all of the men will be given an additional physical examination at the Elks home and final instructions before entrainment, following this it is imperative that the accepted men refrain from all dissipation which would hamper them in passing the final physical test which they will receive at Fort McDowell next Tuesday. Nye county does not want a man to fail and have to come back and urges the co-operation of all enlisted men.

Everyone in Tonopah is urged to be present and participate in the parade which will form at 8 o'clock tomorrow morning in front of the Elks home. The men must reach the station by 5:30 p.m.
